SHORT STORIES OF THE CITY

DRAW FIFTEEN DAYS—Lee Stoddard and George Abbott, who created a disturbance at Miami, Friday night, faced Judge Hinson Thomas yesterday. They were found guilty and sent to jail for fifteen days each.

WEEK IN JAIL—Frederico Tarnan, who was picked up near the Gila Valley depot Friday night while in a decidedly intoxicated condition, was tried before Judge Hinson Thomas yesterday for disturbing the peace. He was sent to jail for seven days.

DEMOCRATS WILL MEET—The Gila county democratic central committee will meet Monday evening in the office

of Judge Hinson Thomas, for the purpose of perfecting the reorganization of that body. As matters of importance will come up a full attendance is desired.

GOOD SURFACE ORE—Two assays of surface croppings from the property of the Tonto River Copper company, made recently by Van Wageningen & Hewes show this ore to contain 28.84 and 28.94 per cent copper, respectively. James P. Bosch, who is in charge of this mine stated yesterday that he believed the development work in progress at the mine would eventually open up a vein of the same material. In the tunnel which is now being driven a low grade sulphide has been encountered at a depth of 270 feet, fully seventy-five feet nearer the surface than was expected. While this ore is of no great value, its location is considered of prime importance.

GIRAND LEAVES—J. B. Girand, territorial engineer, and Charles Adsit, who accompanied him to this city, left yesterday morning for Santa Rita. They will proceed to Phoenix from that point. Girand will probably return to Globe within a short time, to look after the preliminary work on the Globe-Roosevelt road.

RIEMEN RETURNS—Charles Riemen, a former real estate broker of this city, who has been in St. Joe for several months, has returned to this city.

HOTEL ARRIVALS—J. F. DeRhodes and wife, Tyrone; H. A. Hamilton, El Paso; Charles Riemen, St. Joe; E. O. J. Hauke, Cincinnati; James P. Rea, Savannah; P. C. Morrow, Philadelphia; Chas. W. Parsons, San Francisco; A. Zeal, Denver; H. G. Pettigrew, Chicago; W. J. Gray, Denver; E. T. Lampe, San Francisco; F. Girder, Safford; R. E. Rich, San Francisco; Mrs. W. C. Roun-

dey, El Paso; F. Greenberg, San Francisco; L. D. Clay, New York; J. E. Rodgers, Winters.

MIAMI BUSINESS HOUSE—Fred Hengehold of the Arizona Fuel & Feed company has bought the corral and fuel and feed business of Frank Jones at Miami. J. A. McIntyre, who now manages the restaurant, will conduct this business also.

SAD NEWS—Mail advices from Oregon announce the death in that state on November 18 of Mrs. Catherine Whitener, mother of Mrs. P. C. Little

of this city. Mrs. Whitener visited in Globe about a year ago and made many local friends who will learn with sorrow of her death.

GOLDENS IN COURT—Fred Golden was given a hearing before Judge Hinson Thomas yesterday on complaint of his wife, who asked to have him placed under a peace bond. Mrs. Golden stated that her husband was of a very peaceable disposition while sober, but that when he is drunk, which is not infrequent, that she is afraid of him. As the attorneys for both the prosecution and the defense wished to submit documentary evidence, the case was taken under advisement until Monday.

Very Often

FOR REASONS BEST KNOWN TO YOURSELF YOU WISH TO PURCHASE SOMETHING INEXPENSIVE IN OUR LINE AND KNOWING THAT WE HANDLE ONLY HIGH GRADE LINES, YOU DON'T EVEN CONSIDER ASKING US IF WE HAVE WHAT YOU WISH, BECAUSE YOU FEEL THAT IT WOULD BE WASTING TIME.

Although You Are Right

JUDGING OUR STOCK AS YOU DO, IT DOES NOT STAND TO REASON THAT WE CAN'T SEND AWAY AND GET WHAT YOU WANT, SAVING YOU THE TROUBLE OF SENDING AND PROBABLY NOT GETTING WHAT YOU WISH, AND AT THE SAME TIME SAVING YOU MONEY.
